## CUSHION STORY

This artwork is a part of a series of artworks reflecting my original 'Winya' artwork - a piece intuitively created, reflecting one who is able to sit in peace, whilst life continues on around them.

While creating this artwork, I imagined one thoughtlessly happy and calm, sitting and holding pure joy in their heart, with life rushing around them all the while. It's a reflection of my own life and where I am now. I am peacefully content, calm and able to find enjoyment and appreciation in almost everything.

It's also a reflection of my understanding of others. An acute awareness of other's lives and their intricacies. Their stories, their challenges, their changing paths, and of those that they love.

Born on Wiradjuri Land in Wagga Wagga, Amanda is an exceptionally passionate and talented Aboriginal artist who has been creating breathtaking original artworks from her studio under the moniker 'Because of my Four' for many years now. Amanda's artworks share stories of resilience, strength, and the power of women. She draws inspiration from her hometown of Wagga Wagga, her family, and the Dreamtime - displaying Aboriginal culture and storytelling in her own contemporary Aboriginal art style, developed through impatience, intuition, and an innate desire to create at all costs.
