## ARTWORK STORY

This is about those intimate gatherings of family, friends. Those people in your life that know the real you. Coming together to be in the presence of people you trust. Creating memories.

Biripi Artist and traditional weaver, Joedie Lawler brings immense passion and heart to each one of her contemporary masterpieces. As well as a series of spectacular Aboriginal paintings, she has also delivered various commercial commissions using raw materials such as glass and fabric. Since learning her craft from a young age, closely taught by her grandmother in Taree, Joedie continues to express her views and thoughts through her original works of art. Using knowledge and experience from her upbringing, Joedie's pieces often reflect her interest in human connection and environmental importance. No matter what she creates, Joedie hopes every viewer can connect with her work and find just as much peace in it as she feels the moment she puts paint to canvas.
